## New Attitude 2008

Wednesday, May 28, 2008

I was highly honored by the opportunity to speak to the [New Attitude 2008](#) conference. It was so encouraging to see thousands of committed Christian young people at that event, and to be with Joshua Harris (the visionary who birthed New Attitude), C. J. Mahaney, Mark Dever, John Piper, and other speakers.

This year, Josh asked me to answer questions from the crowd. I was impressed by the questions and thankful to be in the presence of thoughtful and evangelistic young Christians who share a commitment to [Humble Orthodoxy](#).

Thanks to the folks at New Attitude, the [audio of the session](#) can be heard [here](#) and a helpful [summary](#) is provided [here](#).
