My Debate with Susan Jacoby at *The Washington Post/Newsweek* “On Faith”

Tuesday, February 20, 2007

Earlier today I participated in an [on-line debate](#) with author Susan Jacoby at “[On Faith](#),” a project of *The Washington Post* and *Newsweek* magazine. The conversation was interesting, and the format makes for an interesting dynamic. You can read the entire debate [here](#) and post comments as well.

The debate topic was the question, “[Has Organized Religion Done More Harm Than Good?](#)” Susan Jacoby is author of *Freethinkers: A History of American Secularism*. She is scheduled to appear on Thursday’s edition of The Albert Mohler Program, and we will look forward to continuing the debate and to inviting our radio audience to join in. Stay tuned.
