New Commentary: “Lessons Learned in a Crisis of Life” and Back on the Air Today

Monday, January 22, 2007

I posted a major new commentary today, one that is very personal and based on reflections about my recent health crisis. “[Lessons Learned in a Crisis of Life](#)” can be found [here](#).

I’ll be talking about this on today’s edition of “*The Albert Mohler Program*.” I can’t wait to get back on the air.
