Friday, December 29, 2006

From Baptist Press:

*Dr. Albert Mohler is recovering at Louisville's Baptist East hospital following abdominal surgery. Dr. Mohler was admitted to the hospital on Wednesday after experiencing abdominal pain. During a three-hour procedure, surgeons removed scar tissue from a 1980s operation.*

*Dr. Mohler is expected to be released from the hospital next week and will continue his recovery at home.*

*Dr. Russell Moore, dean of the School of Theology and Senior VP for Academic Administration at The Southern Baptist Theological Seminary, will host The Albert Mohler radio program until he is able to return to the air. Dr. Mohler's blog and commentary posts will resume as soon as he is able.*

Please join us in praying for Dr. Mohler's quick and total recovery.
