## New Commentary — “The New Atheism”

Tuesday, November 21, 2006

*WIRED* magazine is out with an important cover story for its November 2006 issue — “[The New Atheism](#).” Contributing Editor Gary Wolf explains that the New Atheists are not content merely to disbelieve in God. They want to make belief in God socially disreputable — to make belief in God an embarrassment. I have written a [commentary](#) on the meaning of this new movement, posted today and [available here](#).
