Today’s commentary, Two Decisions, Two Worldviews–The Ten Commandments Decisions, considers the meaning and impact of the two decisions handed down yesterday.

The decisions aside, this is a good opportunity for Christians to remember the importance of the Ten Commandments. As Martin Luther instructed: “God threatens to punish everyone who breaks these commandments. We should be afraid of His anger because of this and not violate such commandments. But He promises grace and all good things to those who keep such commandments. Because of this, we, too, should love Him, trust Him, and willingly do what His commandments require.” [from Luther's Small Catechism]
