Why Would Christians Oppose Same-Sex Marriage?

Friday, June 24, 2005

In my [commentary](#) published today, I take a close look at Sunday's edition of [The New York Times Magazine](#). The cover story by Russell Shorto, [What's the Movement to Outlaw Gay Marriage Really About?](#), deserves your attention as well. The article provides an invaluable perspective into why the secular elites find evangelical Christians to be so unusual — holding to a faith that lays claim upon every dimension of life.
