KENTUCKY
MISSION
MONTHLY

The field is the world.

Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost.

Teaching them to observe all things whatsoever I have commanded you; and, lo, I am with you alway, even unto the end of the world. Amen.

And He said unto them, Go ye into all the world, and preach the gospel to every creature.

Ye shall be witnesses unto me both in Jerusalem and in all Judea, and in Samaria, and unto the uttermost part of the earth.

If ye love me, keep my commandments.

He that hath my commandments, and keepeth them, he it is that loveth me.

If a man love me he will keep my words: and my Father will love him.

And why call ye me, Lord, Lord, and do not the things which I say?

No. 5

BELLEVUE, KY.

Dear Dr. Bow: Judging from the Monthly it seems the State Evangelist are all dead or on a summer vacation. I don't think either is true. From the way I have sweat for the last few days I am sure it is not like vacation to me. I am here in Bellevue, tramping from house to house, begging people to come to our tent meeting. It is very hard to get them there through the heat. I have just told one woman that there was a hotter place, is why we are having the meetings. But she strictly denied that there is such a place as hell. And yet claims to be a good Methodist. Hell is getting mighty out of fashion in the cities. But unless there is a mighty change soon many of these city people will soon believe very strongly in hell.

This is just as truly a Papal field as Italy or any other Papal field. I don't believe the Catholics are any thicker in Rome itself than here.

If you were here for a while you would know why the "lid" was not on in these suburbs of Cincinnati. The field is very hard and this little church needs your prayers and support in their struggle for a church house. There are some true blues here and I believe they will hold up the true colors for their Master, but the material from which they must grow is very hard to reach. Give them your prayers and when they ask for it your money.

Just a word about our Oakdale

meeting. The four weeks I spent with the saints in South Louisville were hard weeks. We had five services daily, for part of the time—two in the shops, two in the churches and one in the tent at night. The preachers of the two Methodist churches, Bro. Brown and Bro. Edwards, helped us much with our work as did Bro. Wallace, of the Presbyterian church; these three men did noble work. Bro. Mohler proved a fine coworker but was kept out of the meetings much of the time by his wife's illness. The visible results were 35 additions to the church, 22 for baptism. Some \$200 was subscribed for State Missions but not all has been collected yet. They tell me tramps have some way of marking gates of the houses where they feed them. If I had known how I would have left the mark on sister Davis' gate, indicating the place where hungry preachers could get well fed. They never have to leave there hungry, and I am sure cannot soon forget her kindness if once they stop at her home. Wishing for the prayers of all your readers

I am your servant,

E. B. FARRAR,
State Evangelist.

You can not be interested in that you know nothing about. You can not know what you should know about missions unless you read the Mission Journals. All three—Foreign, Home and State, sent for 50 cents a year. Send stamps.

MOUNT OLIVET, KY.

A letter from Bro. Gates, our Missionary at Mt. Olivet, came in just after we went to press last month. It is good enough yet to print some of the items.

"Under the blessing of God the 'Willing Workers,' supplemented by the faithful ones of the Baptist church, have made their pastor happy by the magnificent present of a fine suit of clothes, shoes, hat, and shirts. The receipt of the same is gratefully acknowledged, also the kindness of the editors of the *Advance* for printing this card of thanks. May God bless the donors and unite all in works of love for Jesus sake is the desire of

F. P. GATES, Pastor."

"P. S.—The value of these things in actual cash is \$40."

The above clipping from the county paper tells the story of grateful hearts.

The Masons, their wives and daughters, also some of the Miling Workers came in last Saturday night and gave me a birthday surprise. The W. M. S. presented me with a lovely pair of kid gloves. Ice cream, cake, songs, speeches and prayers was the bill of fare.

We had a glorious service yesterday and last night, large audiences. And when I asked for all who wanted to do more in the year to come and were willing to here and now pledge themselves to redoubled efforts in every particular to make the anticipated meeting and the year to come a mighty success there was immediate and hearty response of 50 or more, who expressed themselves as ready to work and pray for a year's revival and I shall be disappointed if God fails to give it to us. There is a deep, earnest seriousness pervading the member-

ship, and an expectant looking forward to the Holy Spirit's co-operation with Dr. Powell and our people. We are getting ready for the blessing that God has for us.

We expect a great meeting in the way of conversions, quickening the membership, and placing the church a long ways ahead of where we are now, deepening and widening the missionary spirit of our people.

F. P. GATES.

AUGUST REPORT.

"Do the work of an evangelist."

Beginning August the first, I have been doing my very best to heed Paul's admonition. But the reader may rest assured that it is sure enough work, both day and night. During August I put in 29 days actual work as State Evangelist and the other two days moving to Bowling Green to be nearer the center of the work. During the time I preached 44 sermons, delivered 5 Sunday school addresses, made 5 addresses on Missions, besides sprinkling missions all through the sermons, visited 80 families, supplied for 5 churches, traveled 350 miles by rail, on crowded hacks full of drunken rowdies, on boats, often so crowded that there was no place to rest or sleep, witnessed 72 professions of conversion, baptized 10, received 10 by letter, and one by relation, attended 20 prayer services, and visited two associations. But it is impossible to tell even half the work of an evangelist. No tongue can tell of the labor, the privations, the vexations, nor of the inestimable joy that comes from a conscientious performance of duty to God and our fellow men. The calls for the evangelist are multitudinous. It is absolutely impossible for me to meet all the de-

mands, however much I may desire to. But I shall do my very best. It is difficult to get time to write to correspondents much less for the papers. But I enjoy the work, because of the good that is manifest, even if I do not even get to see home for weeks, or even months at a time. I most earnestly ask the prayers of every one who reads this, that God may bless the work abundantly for Jesus' sake.

W. H. SMITH,
532 State St., Bowling Green, Ky.

HINDMAN, KY.

Dear Brother: I have just returned from the little village called Vest, seven miles from this town, where I held a very successful meeting. It's the finest location for a church that there is in this county. The place has some two or three hundred inhabitants. The Lord blessed me wonderfully in the meeting. I have more faith in God than ever before because I never saw his power manifested in such a way before.

Moonshiners sprang from their seats during the sermon, came to the stand, fell to their knees and said "pray for me" were converted. People that ignored the meeting and would not attend it, came Sunday, stood outside the house, looking through the windows were convicted, came in weeping over their sins, asked for prayer. Many were saved. The Lord has worked wonders in that part of the country.

There were sixteen added by baptism, five by letter. Will organize a church Sunday.

We have the best material here. We have one merchant, another's wife and girl, the Post Master and wife, the school teacher and a number of very wealthy farmers.

We have the finest Sunday school that I ever saw. The Lord has given us the best point in the mountains. I have just written Bro. Petry to come and assist in the organization of the church. The Lord is going to give us the mountains.

Pray for me and the work.

Yours in Christ,
J. M. OSBORN.

ON BOARD STEAMER, 8 p. m.,
AUGUST 21, 1906.

Dear Bro. Bow: I took in the Gasper River association today, and am now on the way with the family and household goods to Bowling Green. The association suspended the reading of letters from the churches to allow me to make my maiden effort as the representative of our State Board, and sent me away with \$23.65 for State Missions. It is possible that on tomorrow they may do some more substantial things toward the support of your State Evangelist.

Our meeting at New Harmony was considered by all who ought to know, to be the best meeting ever held in the Little Bend. 10 were baptized, 9 received by letter, with fair prospects that the meeting will ultimately result in 25 or more additions to the little mission church, about doubling their strength. They sent me away with \$13.25 for State Missions. Huntsville \$1.75 and Rochester \$36.36. So send you check for my collections for State Missions for \$71.01. For subscription to the three Mission Journals, and renewals \$1.50, and subscription to Kentucky Mission Monthly alone for 50 cents, making a total of \$77.01. I am pressing for Barren River association tomorrow evening or Thursday morning. Then to Railton to begin the meeting Sat-

urday night. Thence to Bay's Fork association, thence to Bee Springs for a meeting running up to the Freedom association.

W. H. SMITH.

BEATTYVILLE, KY.

Dear Dr. Bow: Our work at this place still continues to prosper. Rev. J. T. Betts assisted me in a two weeks meeting, which resulted in 7 additions to the church. We had many hindrances but God gave us the increase. The Lord has visited us with showers of his divine blessings at Hall's Chapel, the past week. Rev. R. H. Tolle, of Falmouth, Ky., assisted me in a weeks meeting. There were 13 additions to the church, 11 by baptism, and 2 by letter. All were delighted with Bro. Tolle, and we feel that his earnest and thoughtful sermons have been a great blessing to the cause of Christ at Hall's Chapel.

I have not been able to have my meeting at Heidleberg yet, but the cause seems to be moving forward. We have many hindrances to the cause, to contend with at Heidleberg, but we are encouraged when we remember that harder the fight sweeter the victory. Brethren ever remember us in your prayers.

Yours for Christ,

C. T. BROOKSHIRE.

We had a good meeting at Mill Creek in Nelson county. Seventeen additions in all. I am now in a meeting with the New Hope church, at Booker, Ky. No visible results to date. They are in need of a pastor. Should have one located in their midst. The church is financially able to do it. Spiritual weakness is the alarming trouble with many of our churches. Let us all pray for spiritual power.

E. W. COAKLEY, Evangelist.

Dear Bro. Bow: I came home yesterday and left Dr. Nowlin to preach last night and to night. Dr. Nowlin has captured everything and everybody, and our meeting is closing out grandly.

The meeting has been a success beyond our comprehension. We raised during the meeting in cash

and pledges nearly \$400.00. I have written Dr. Powell to assist us in a meeting here (Dawson) in January or February. I think a number of the (old) Baptist will line up with us if we can get Powell here. And if we could get them we would have a good strong church at Dawson.

We are now working on the roof and will need all the money we can get as soon as we can get it. We will put the roof on and windows in if we have to borrow the money. We have received but little over 400.00 of the \$1,500 subscribed at Richmond. I guess, however, it will come in after a while. I am going to put it in safe condition and then build as we get the money.

Very truly your brother,
T. M. MORTON.

RESOLUTIONS.

The Second Baptist church of Bowling Green, Ky., recognizing the valuable assistance which has been rendered us by the State Board of Missions and by the District Board of Warren association and that their contributions to our work have been blessed of God so that now, under the guidance of the Holy Spirit, we feel that we shall release these Boards from further contribution to our work on and after September 1st, 1906.

Resolved That we express to these boards our thanks for all of their interest and assistance in our work, praying that this church may be a blessing to humanity and may glorify God in its work.

The foregoing resolution read and adopted Wednesday evening, August 22, 1906.

Signed by all the church.

J. W. RAILEY, Ch. Clerk.,

Pastor Vick, of Second Baptist church, Bowling Green, has done fine work. Four years ago when he became pastor there was only about 90 members; now there are 260 members. The church has relieved the Mission Board and is self-sustaining. When he became pastor the church paid for all purposes about \$150. In last twelve months they paid for all purposes \$1,500. Brother Vick feels not only grateful to God, but also to the First church for substantial aid in the success of his work. II.

THE STATE BOARD OF MISSIONS

Meets at Norton Hall,

Monday, October 1st, at 2 p. m.

J. M. WEAVER, President

B. A. DAWES, Recording Secretary

J. G. Bow, Corresponding Secretary

Is the blue mark under your name on this paper? If so, it means you are in arrears. Please remit. Postage stamps will do.

At the recent meeting of the Green River association which was the 107th session of that body, the moderator stated that the association had not given enough to missions during her existence to pay the traveling expenses of one missionary to the Foreign field. What a record! The moderator referred to it as a reproach. Yet there were preachers in the body who did not want it otherwise.

There are a few such churches, but they are dead, a few preachers and they are asleep.

No, money can't save souls, men can't save souls, but God uses men and money to send the printed word and the preached gospel, and "The gospel of Christ is the power of God unto salvation to every one that believeth." God uses these, for "God hath ordained by the foolishness of preaching to save them that believe." Are you willing to be used? Will you put the money he has entrusted to you as his steward to this glorious use?

Don't forget to send me two copies of your minutes at once.

If you are in arrears for the Mission Journals please pay up.

God saved you that you might serve him here and hereafter. Are you doing anything in the King's service.

God gave his Son, Jesus gave his life, what are you giving for the salvation of lost souls?

THE YEAR PAST—THE YEAR TO COME.

The past year shows progress along all lines of Mission work among our people. Not as much progress as we ought to have made but there is progress, growth life. The total receipts for State Missions was \$14,585.16, against \$11,083.46. This is by far the best contribution Kentucky has ever made to State Missions. An increase over last year of nearly 32 per cent. For colportage work we reached over \$3,000.00, for Church Building the Board fund \$1,241.53, for Foreign Missions \$26,620.36, for Home Missions \$15,821.86.

Our contributions to State Missions the past year were two and one half times as much as they were six years ago. This is the first year that our contributions to State Missions ever reached to half the amount we gave to Foreign Missions. While we ought to give twice as much to Foreign Missions as we gave the past year we ought to give four times as much to State Missions as we ever gave to this cause. Appropriations have already been made to State Missions for more than \$20,-

000.00. Unless Kentucky Baptists shall give at least \$25,000.00 this year to State Missions the great cause which God has committed to Kentucky Baptists will suffer. "Let us go up at once and possess it, for we are able to overcome it."

REPORT OF COMMITTEE ON APPORTIONMENT.

J. G. BOW,
G. H. NUNNELLEY,

The above is not a tax, is not an assessment. It is simply a request to the associations and churches to try to do something definite in the mission work. In most cases the amounts asked are for below what we ought to do, but anyhow let us try to do something.

When you start on a trip you have some point in view to which you aim to go. When you build a house you have a plan. Perhaps the reason you have done so little in the past was because you had no definite purpose.

Will you have a committee appointed on apportionment, let them fix upon the amount suggested above, or some other amount, and then fairly divide it among the churches according to their several ability and then seek to raise at least that amount in that church.

STATE MISSIONS.

To us it means mission work in Kentucky, the primary business of Kentucky Baptists, the foundation principle upon which we are to build for the world's evangelization. Dr. Josiah Strong, in his mighty grasp of details, his conception of effects and results from given causes says: "He does most to Christianize the world who does most to make thoroughly Christian the United States." This is the true principle, by the observance of which we shall be in harmony with the great commission and the better equip ourselves for the world-wide evangelization that the great Captain of our salvation has entrusted to us. The apostles were to begin at Jerusalem, and from

thence the word of the Lord was to go forth.

I remember when I was a boy I used to keep on hand one or two good balls, especially about the time of the three months session of the public country school. We had to have them with which to play "Cat," "Town-ball," and "Bull-pen." I made my own balls—made them out of old yarn sock legs. It was an easy matter to ravel out the whole thing if you began at the toe or lower part of the sock, but it would not work at all from the top. Begin at the right end of this thing. Develop the work at home, re-enforce the army, recruit the great voluntary host of workers, train them to give and there will be no trouble then about the going to the uttermost part of the world. Our slogan is "Missions are missions," our motto is "Let him that heareth say come." The commission embraces the whole world of lost men and women, and the egregious blunder of overlooking the obligation to save, develop and train the people at home is suicidal in the extreme. The Moravians have been eulogized and held up as examples of missionary zeal and yet how many of you ever saw a Moravian preacher and can name the location of a Maravain church? Why? They are few and far between except on their mission fields. They have given liberally, yea, lavishly to Foreign Missions to the utter neglect of the work at home. Very few of our States give less to State Missions than to Foreign missions, and those who do are not doing their duty to the Foreign and Home work.

TRIP TRAMPS.

Anticipating a little in closing

the "Trip Tramps" of last month one item failed to materialize, viz.: I was to preach at Auburn on Monday night, Aug. 13th. I was on hand but on account of rain storm there was no meeting. Had a most delightful visit with Deacon Childers and family. Attended Logan County association on 14th. Returned to Russellville, took supper with Bro. D. W. Caldwell and family. Went to the court house to a temperance meeting and heard Hon. B. F. Proctor and Dr. W. C. James on behalf of local option. Took the train about 9:30 p. m. and breakfasted the 15th at Walton, near Cincinnati. Thence to Crittenden association. This association, with nearly 2,400 members only gave about \$105 to missions. The 16th and 17th was at Shelby County association at Croppers. This noble body is moving up all the time. They promise to give at least \$3,000 this year to missions. Sunday, 19th, supplied the pulpit again for Pastor Reed at Twenty-sixth and Market. Anxious to reach Green River association I left on 9:30 p. m. train and went to Bowling Green on Sunday night. Reached Bowling Green after one o'clock in morning. Left Monday at 6 a. m. and went to Rocky Hill, then out to Green River association, about 5 miles from railroad. This association is 107 years old. They gave nothing last year to missions and the only contribution reported was \$9.45 for minutes. The moderator stated that in a hundred years they had not given enough to missions to pay the travelling expenses of a missionary to the foreign field.

Returned to Louisville Monday night. Worked in office all day and left at 8 p. m. for Mitchellsburg en route to South District as-

sociation. Reached the burg about 11 p. m. Felt awful lonesome when the train pulled out and left me in the dark and no place to stay. Knocked at a door near depot. After some delay the occupant appeared. I asked if there was any place there I could stay. He said "Naw." He asked "Who are you? Where you goin'." I told him I was on my way to Perryville to attend the association. He said, "Vell, I guess you had better go on to Perryville," and shut the door.

I finally found comfortable quarters and was treated like a white man. Had a splendid hearing next morning at the association on the mission question. Returned to Mitchellsburg and took train for Junction City, thence by way of the Queen & Crescent to Ludlow, Thursday morning out to Campbell County association, some 30 miles from city. Had a splendid day and heard some good speeches on missions from Bishops Turner and Wray. Returned to city and went to Bellvue to hear our Evangelist E. B. Farrar, who is holding a meeting at Bellvue in a tent on the lot purchased for our Baptist church. Friday night reached Louisville. Early Monday morning, the 27th, took train for Danville, thence to Kingsville, where I was taken in charge by Dr. J. W. Acton, who, with his most excellent wife, took charge of the pilgrim and fed and rested him. Went to Pleasant Point with Bishop Noel where I preached at night. Stopped with Bro. Routen. Tuesday had a fine opportunity to talk missions. Took the afternoon train and went to Georgetown. Spent the night with Prof. R. L. Garrison and his aged parents, special friends these many years. Wednesday morning went to Cane

Run to the Elkhorn association. Bro. J. R. Howard was again elected Moderator, and Bro. Malcom Thompson Clerk. We had a fine discussion of missions by Brethren Geo. Green, G. W. Argabrite, and Dr. Eaton, this scribe participating. A little past four took the trolley line for Lexington, thence by rail to Cynthiana en route to Union association. Spent the night at Col. Moore's in Cynthiana. Bro. Jewett, the clerk of the association, and a promising young lawyer, drove me out to Indian Creek, six miles. They gave me right of way and I talked to them on the great mission question. Returned to Cynthiana and went to Lexington, thence to Lawrenceburg, and thence to Nevins. Spent the night with Bro. W. H. Nevins and family, from whom the station is named. Friday morning Rev. W. J. Holtzelaw took me in buggy to Baptist association, where I was most kindly received. Home Friday night. Saturday went to Little Flock church, 15 miles in county. Bro. C. W. Knight, pastor. Preached Saturday night and Sunday. Returned to the city. Board meeting Monday, Sept. 3rd. Then in company with Drs. Harvey and Gwatkin went to Springfield Monday night and to Central association Tuesday. Reached the city Wednesday morning and attended the Long Run association. Did several hours work and left the city at 5 p. m., without even going home.

Reached Bonnieville about 8 p. m. Next morning secured a horse and buggy and went to Lynn association at Cave Hill church. Returned to the city Thursday night.

Working now to prepare the paper and get out next week to other associations.
