KENTUCKY BAPTIST SANITARIUM

Last month it was stated that a Baptist woman had given the first \$100 for the Kentucky Baptist Sanitarium. At a meeting of the Louisville Pastors Conference, several pastors volunteered subscriptions of \$100 among these were G. D. Billieson, M. P. Hunt, and Wallace Ware.

Let every one follow their good example. Payments may be made as desired not later than five years.

HOW IT WAS DONE

The tithers and the Sunday Schools gave the money which more than met the Southern Baptist Convention apportionment for Kentucky Baptists.

Dr. J. M. Frost says:

The Sunday School today is a church school, and teacher training is just now its chief concern.

DO YOU KNOW?

Do You Know

That the per capita annual gift of Baptists to foreign missions is less than one-sixth of a cent per day

Do You Know

That the Baptists send 1 out of 3,500 members to the foreign field?

Do You Know

That it ought to be 1 out of every 500 if we provide for our share?.

Do You Know

That the Baptists are the largest Protestant denomination in the United States, and the richest?

HOW IT WAS DONE.

Kentucky Baptists have just won a glorious victory in their gifts to Home and Foreign Missions. We gave to the Home Board \$35,465, an increase of some \$6,000 over the gifts of last year, and to the Foreign Board \$48,064, an advance of \$2,000 above apportionment.

The total receipts of the Home Board were \$395,730, an increase of \$26,000 over the receipts last year. The Foreign Board received \$587,458, an increase of some \$46,000 over the receipts of last year. Last year they closed with a debt of \$76,000. This year it has been reduced to \$68,000. Our people entered this campaign with a spirit of heartiness and hopefulness which foreshadowed a successful issue. Our pastors planned, preached and prayed. Our noble women were instant in season and out of season. Our denominational papers gave unlimited space to the work and reinforced it with splendid editorials. A campaign was held in sixty associations that was very helpful. Tracts on every phase of Home and Foreign Mission work fell like autumn leaves on every part of our territory. Correspondence between this office and our 1,846 churches was maintained through the pastors and church clerks. Letters were written from time to time to each of the Treasurers of the different associations. We also communicated with a Laymen's Committee in many of the associations. We used the public periodicals and we had tracts written and published on the different phases of mission work. Mission Institutes and Mission rallies were held in different parts of the State. Our people were urged to pray for the success of the work. The blessing of God and co-operation account for the signal success which has crowned our labors. Let us praise God and take courage.

We are indebted for much of the success of the recent campaign in the interest of Home and Foreign Missions to the efficient and untiring labors of our office force. They worked early and late and seemed to enter heartily into the thought

that God had ordained us to succeed and not to fail.

We must now turn our thoughts, our prayers, our preparations and our preaching toward the support of the work in our own State. New fields must be occupied. We have several strategic points which demand the services of a capable man. We must have money to support our W. M. U. work, our splendid Sunday School corps, our B. Y. P. U. Secretary, our co-operative evangelists and missionary pastors. Our fund for aiding in the erection of churches at needy points must be replenished. The calls are coming thick and fast and no department of our church work is more important. We must have a Woman's Missionary Society in connection with each church, when possible, to aid us in our work.

We are in urgent need of \$10,000 for our Church Building Fund. Our appropriations to needy and worthy causes are far in excess of our receipts. We must call the immediate attention of pastors, churches, Sunday Schools, Missionary Societies and friends of Missions throughout the State to this valuable phase of Missionary undertaking. When a church has secured a suitable house of worship then they are prepared to contribute worthily to State, Home and Foreign Missions. Individuals having sums to invest for the on-going of the Kingdom could not do better than designate to Church Building. Some can give \$1,000, some \$500 and others smaller amounts.

We are grateful for the splendid list of subscribers sent to us during the past month. Friends can do a good service to the Mission cause by aiding in the circulation of the three mission journals.

The church at Pikeville has been fortunate in securing the services of Rev. C. C. Daves for pastor. He does splendid constructive work and will be a great acquisition to our forces in Eastern Kentucky.

Rev. L. F. Caudill, the veteran worker in Magoffin County, has been called to Unity church for half time.

We hear the finest reports from our Enlistment Workers. They render valuable service in aiding in the development of our backward churches. They help to secure something like adequate compensation for the pastors and teach the people their obligation to give the Gospel to the lost wherever found. Their teaching on Stewardship and proportionate, systematic giving is most helpful. God's ownership must be recognized before our Baptist people will give as the New Testament requires. Our excellent Home Board co-operates with us in the support of our Enlistment workers.

It is to be devoutly hoped that the Committee on apportionment, which will report at Nashville, Tenn., will not suggest any material advance in our gifts to Home and Foreign Missions. The gifts for the past few years should convince the honest student that our people have about reached their limit until the churches are better developed in the matter of giving to Missions.

The Northern Baptist Convention will meet in Boston, June 17th to 25th. It is the Centennial of our Baptist Foreign Mission work. It is well established fact that Foreign Missionaries laboring among Asiatics and Africans lose much of that race prejudice so prevalent among us. If it does not remove the prejudice it controls the feeling effectually. Those who are most thoroughly imbued by the missionary spirit will be found least influenced by their inherited prejudices. The cultivation and growth of the missionary spirit develops the feeling of brotherhood among the nations that ought to prevail.

The circulation of the Bible in the United States last year reached 1,075,459 volumes. An increase of 280,222 over the previous year.

The church house at West Liberty, Morgan County nears completion. This is the first Missionary Baptist church to be built in that County. Funds are urgently needed to help the brethren who compose the membership of this heroic body.

The Foreign Mission Board has re-organized the Secretarial force on the eve of the meeting of the Southern Baptist Convention. Four Secretaries have been elected. It would seem that the matter should have gone rather as a recommendation to the Southern Baptist Convention which annually appoints the Foreign Mission Board. Except in two states money for the Foreign Mission Board is collected by the State Board of Missions and forwarded to them for distribution. We now have three field workers doing effective work, then we have a Treasurer and an ample office force in Richmond and it would seem that three secretaries would be sufficient for all work to be done. Unless more economy is used in the care of Foreign Mission funds on the Home field, we will continue to report a debt until the end of time. We love Foreign Missions and contribute to it as liberally as our funds will permit. We love all of the men involved, but we must be allowed to speak our convictions, especially when the matter is so vitally connected with the interest of a cause which we love dearer than life itself.

THEN AND NOW.

A great change has come over the public sentiment after Foreign Missions has been tried out for a hundred years. The British East India Company said a hundred years ago: "The sending of missionaries into our Eastern possessions is the maddest, most expensive, most unwarranted project that was ever proposed by a lunatic enthusiast."

At the close of the century the English Lieutenant-Governor of Bengal said: "In my judgment Christian missionaries have done more lasting good to the people of India than all other agencies combined."

Several members of the State Board of Missions will accompany the Secretary in a visit to Whitesburg, Harlan, Hazard, McRoberts, Jenkins and other strategic points in Eastern Kentucky. A Bible Institute will be held at Whitesburg during the month of June. The object of the tour is to study the needs and conditions of the field.

Dear Mission Monthly:

We closed our Home and Foreign Mission offerings this morning, and Brother Baird will send you our balance with the rest from the Association. Our gifts for the year to these two objects are as follows:

Brother Lam for Foreign Missions sent to Foreign Mission Board about April 10th, \$600; Sunday School offerings, in addition to Brother Lam's gift, \$179.83; weekly offering for four months given to Home and Foreign Missions, \$145.83; total through T. C. Baird, treasurer, \$325.66; Woman's Missionary Society, \$75.64; Young Woman's Auxiliary, \$14.70. Total from the church, \$1,016.

Our country churches have given near \$600, which is an increase of about 300 per cent. Central City has made a large increase. We got \$1,365 last year in the Association; of this amount Greenville gave \$1,014.59. This year we will get probably \$2,200 or \$2,300 in the Association. So much for the egg agitation. Brother Baird will probably write you how much egg money we had, but the agitation of the egg business was worth much more than the egg money.

We deeply sympathize with you in your anxiety about your son and his family. May the Lord give them protection.

You may send me a card for Southern Baptist Convention.

Brother Barnes is making a fine start. He is visiting churches and is teaching a training class this week. He will probably hold some meetings after the Convention.

Yours sincerely,

ROBERT H. TANDY.

We spent a delightful Sunday at Harlan during the past month. Pastor Gus Padgett is greatly encouraged in the work. The Sunday School is full of enthusiasm. A liberal offering was made to Home and Foreign Missions.

We are greatly indebted to the pastors, churches, missionary societies, Sunday Schools and others who so heartily joined us in our recent missionary campaign and made possible the splendid results achieved. We extend our profound gratitude to one and all. May the Lord richly reward you.

Some pastors do a great deal of running about in the community, but no real pastoral work. There must be both personal and pastoral evangelism.

Minnesota has 1,150,000 people who are not members of any church. There are 560 incorporated towns and cities where there is no Baptist church. They need to place more emphasis on State Missions. Our remarkable growth in Kentucky is due much to State Mission work.

A Negro from Africa stated in my presence that the Episcopalians who go to Africa want to put religion in the head but, said he, we want it in the heart.

It is very dishonorable to do certain religious work—simply to make a living for one's family.

Graduation Service at Morehead.

J. M. Price, Field Secretary

On Sunday, April 19th, it was my pleasure to speak and present diplomas to a splendid class of fourteen at the above place. The church at Morehead is very efficiently led by Pastor H. M. Eastes and wife—both Blue seal graduates. After an address by the writer the diplomas were presented with appropriate ceremonies.

At night the essentials of an A-1 school were presented and in an enthusiastic after-meeting the school voted to start immediately for the A-1 goal, and they will reach it soon.

It was an inspiring occasion and did much to give the work of Bible teaching its proper emphasis. Brother Eastes is doing a splendid work in that mountain county.

Graduation Services at Williamsburg

N. T. Barnes, B. Y. P. U. Secretary

We had a good day at the Second church at the above place, Sunday, April 26th. We had a fine service and the writer delivered the diplomas to the class—among the number being seven Blue seal graduates. Each of the Blue seal graduates delivered a brief address on some phase of the Convention. Normal Course. These speakers were impressive and to the point. It had a good effect, and from what was said, and from the delivering of the diplomas, others were so impressed that they are beginning the course. Rev. W. B. Brummett, the pastor, is very enthusiastic over the Training Course, having done all the work himself and a proud possessor of the Blue Seal.

The brethren at McKinney have lost their house of worship by fire. They propose to arise and build without a delay. They have our sympathies.

Pastor Hailey is now holding a meeting at Salyersville aided by Evangelist Giles C. Taylor. These are two splendid workers and we are sure that much good will be accomplished.

TEACHER TRAINING NEWS.

AT LAST, TEXAS is ahead as to Normal diplomas. Texas has 3803 and Kentucky 3785, making as you see, just eighteen more than Kentucky. This could have been reduced to just three more as we received on April 30 and May 1st, fifteen requests for diplomas which could have easily been sent to us a day or two before. However, we are greatly encouraged as to the progress our Normal diploma holders are making in completing the course. Kentucky as you will notice from the above list has seventeen Blue seal graduates for the month of April and thirty-one Red seal graduates. The work is growing steadily. We wish to call the attention of each district superintendent of the Teacher Training work to the great importance of enlisting every Sunday School teacher in his respective district association in this great forward movement in Sunday School work—TEACHER TRAINING. Bethen, get busy and push this work so that we may have more efficient workers in our Sunday schools.

The General Secretary was with Brother W. M. Stallings and his good people on Friday, March 27th. He spoke that evening to a fine crowd of his loyal people who had assembled at the church in spite of the inclement weather. We were glad to have this opportunity of speaking to these good people, and appreciate the kind invitation to come again.

The Bowling Green Institute was held March 29, 30, 31st and April 1st in the Second Baptist Church. The meetings were not as largely attended by the brethren from the nearby churches as had been hoped, but many were present and expressed themselves as being well pleased with the school. Rev. Harvey Beauchamp, Miss Margaret A. Frost, Wm. P. Phillip, and the writer were the members of the faculty, and Brother Creel, pastor of the Second Church was elected as Dean of the school and presided with splendid ability over the various sessions. Taking all things into consideration the Training School was a great success and it has been decided to have another next year.

The writer had the pleasure of being with Brother Ellis A. Cottrell, and his good people on Thursday, April 2nd, and from there he went to Falmouth to complete some work that had been begun several weeks before, but owing to illness had to be discontinued, and on Sunday, April 5, the school at Falmouth was graded. Pastor Joseph E. Fulton and Superintendent J. L. Bradford are men who do things and we are confidently expecting to hear good news from Falmouth.

The West Kentucky Sunday School Convention was held at Hopkinsville, Ky., April 14 to 16 inclusive. It was very well attended and every one seemed to enjoy the meeting, but space forbids the writer giving an account of same in detail.

From Monday, April 20, through Sunday, April 26th, the writer was with Brother W. E. Mitchell in a Sunday School Institute. This institute was a fine success and on Sunday morning we had the pleasure of grading the school and expect to hear in the very near future that Adairville Sunday School has attained the A-1 award.

April 30th to May 3rd was spent with Brother W. L. Shearer and his noble people at Stamping Ground. Brother Shearer is doing a splendid work at this historic old church and great things can and will be accomplished under his wise leadership.

The church at Latonia leads the churches in that vicinity in Sunday School attendance and in contributions to Missions.

The Associational unions have adopted a standard of excellence of their own. For the first time observance of a day of prayer for State Missions programs and envelopes were supplied.

Good programs were rendered at two Kentucky summer assemblies, and at institutes and fifth Sunday meetings. This spring forty-nine Associations were reached by conferences on W. M. U. work held in connection with the campaigns conducted by the Boards, who sent Miss Priest and Miss Leachman to assist our Corresponding Secretary. The results were most gratifying, and promise much for the future. In a few Associations representatives went out in church to church campaigns, organizing new societies, and this line of work is to be carried on in eighteen Associations this summer, the State Board supplying two Training School girls to aid our field worker.

To the State Board we are also indebted for a large and pleasant room in their building, and for a satisfactory mode of meeting our expenses.

Jubilates were held at our annual meeting and in a prominent town in western Kentucky, and in various city and Associational Unions and societies. Praise ye the Lord.
 E. S. B., V. P.

We note with much sorrow, the death, on April 13th, of Mrs. J. E. Clardy, mother of Mrs. J. N. Prestridge, to whom we offer our deepest sympathy. Mrs. Clardy was one of those noble women whose lives adorn the doctrine of our God and Saviour, and who are an inspiration to all who know them. Deeply interested in the affairs of the kingdom, she often went with her husband to our denominational gatherings, and aided in his liberal giving; and by her presence helped on the women's meetings. She will be greatly missed, and long remembered with love. E. S. B.

TRAINING SCHOOL CONTRIBUTIONS.

Why not let the first quarter of our year be a time for special giving to the Training School? In some States all contributions for its support and enlargement are made during May, June and July, and this branch of our work is then practically put aside. With us, it has been a matter for great anxiety to secure the necessary sums in the last days of our missionary year. Will not every society begin right now to pay up its apportionment and send it in by the 25th of July? Watch the papers for accounts of new work to be done for this great institution. E. S. B.

This is indeed our Jubilate Year and on more than one occasion have we really rejoiced. We are rejoicing now because we have gone beyond our apportionment for Home and Foreign Missions, and that, too, notwithstanding the fact that we gave liberally for the Judson Centennial Fund and on the Home Church Building Fund.

The total apportionment for Kentucky W. M. U. was \$18,729.87—Foreign Missions, \$10,440; Home Missions, \$6,960; Sunday School Bible Fund, \$100, and Training School, \$1,229.87 (this amount for Training School includes a deficit from last year).

Our gifts were as follows: Foreign Missions, \$11,077.35; Home Missions, \$7,018.78; Sunday School Bible Fund, \$147.01; Training School, \$1,229.90; also scholarship fund of \$196 and \$53 on an old pledge for enlargement; Judson Centennial, \$1,030.43, and Home Church Building Fund, \$346.98. This makes total cash contributions amount to \$21,099.45. Boxes sent amount-

ing to \$1,173.98; Judson Centennial Funds sent direct to the Board but reported at W. M. U. office, \$1,606, making a grand total of \$23,879.43.

Besides these gifts the W. M. U. of Kentucky has given liberally for State Missions, Baptist Education Society, Colored Worker, Equipment for W. M. U. office and many local societies have responded to calls of charity in the community.

The Jubilate held at Henderson First church, though not just what the leaders there had expected or hoped for, has and we feel will yet, bear more fruit. The zealous superintendent of W. M. U. work in the Ohio Valley Association, Mrs. O. F. Walker, left no stone unturned, it seemed, to make it a success. And though there were great attractions elsewhere for the women, which conflicted with the time of the meeting, many of the Lord's elect, the most faithful, were on hand and we had altogether a splendid meeting.

We happen not to have a complete program before us as we write, but the Y. W. A.'s and Sunbeams favored us with their respective hymns. Besides the local talent represented, Dr. W. D. Powell, Miss Leachman and Mrs. Hinkle were the State workers who took part.

The collection for the Jubilate Fund amounted to \$150. This was given notwithstanding the fact that they had already gone beyond their apportionment for the year's work.

This is certainly a noble band of women.
